## RECOMMENDED PROCEDURES

In order to avoid confusion and problems with the submittal or required information, the administrator in charge for each district should comply with the following:

- Submit certification forms and agenda on official forms provided by U.I.L. typewritten forms are preferred; however, neatly handwritten forms may be accepted.
- The Chair of the Executive Committee subject to ratification by the Executive Committee will approve all forms requiring committee action.
- The individuals indicated should sign the forms. This is especially sensitive relative to students who have participated previously in athletics in other districts.
- Observe the chain of command within the limits of each district. Superintendents, High School Principals and Athletic Directors are encouraged to resolve problems whenever possible.
- Official communications with the chair of the Executive Committee are reserved for the Superintendents, High School Principals and Athletic Directors.
- 30-5A individual schools will police their own sub-varsity teams. Violations should be reported to the district chairman for review.
- Sports organizational meetings prior to the start of each sport will be held at central site.
- Rescheduling of new game dates will only be allowed for the UIL and extracurricular scheduling conflicts.
- Varsity eligibility forms certified by the superintendent or designated administrator must be submitted prior to the first contest to the chairman of the district executive committee.

# Baseball

- 30-AAAAA coaches will not loan a videotape of any game involving a 30-AAAAA opponent to a non-district play-off opponent.
- The home team will be designated to convey information to the rest of the schools in the district, the officials and all media outlets of any rescheduling of games.

These procedures are simple yet provide the structure necessary to operate the 30-AAAAA functions with some semblance of propriety. The added responsibilities brought upon the District Chair can be minimized if these procedures are used.

## I. Changes to Schedule

a. Any changes to game schedule (Venue, Date, Time) home team must Notify DEC / District Chair at least 3 days prior to scheduled contest. Exception Weather!

1) As courtesy to teams in the district, coaches will notify in Head coaches chat about changes in order to maintain transparency and thoroughness.

## II. Make Up Games

a. All make up games will be played next available date unless both teams agree to play Thursday. Friday games that cannot be played must be played Saturday.

b. Other options must be clearly written out in district plans

## General Tie Breaking Rules and Procedures

Ties for the district championships and any playoff seed will be decided as follows:

a. In case of any tie for a championship or any playoff seed, the first consideration will be based on a head to head record or outcome between the tied teams. Head to head games will be used first to break all ties.

b. In the case of a tie between teams for the district championship, all teams would be declared district champions. All teams will be officially listed as co-champions.

## For All Team Sports except Soccer

In case of a tie between multiple teams (two or more), the first tie breaker method used will be the best record from head to head games among all the teams tied and after each tie is broken, the teams will revert back to head to head method to break remaining ties. Then if teams are still tied after the head to head system, the teams will have a seeding game/elimination game or tournament to determine the higher seeds (unless mutually agreed upon by the coaches to flip a coin).

### (A) Example Scenario

Laredo Martin, RGC, and Laredo Cigarroa all went 9-7. Head to head Laredo Martin was 0-4, Cigarroa was 3-1 and RGC was 3-1. In the old plan we would have had to play a tourney. In the new plan Martin would be out and the other two teams would have played for the fourth spot.

# Baseball

## Tournament Format

When a tournament is going to be used to break ties, a coin flip will be used to determine opponents in case of multiple teams being tied.

### **\*3 Team Tournament Format:**

1. "A" draws a bye, "B" plays "C". "C" defeats "B". "C" plays "A" and "A" wins. "A" is the first place seed and "C" is the second seed.

2. "A" draws a bye, "B" plays "C". "C" defeats "B". "C" plays "A" and "C" wins. "C" is the first place seed, but "A" must play "B" to determine second seed.

This is the definition of a TRUE SECOND. Coin flip can be used as stated earlier by mutual agreement.

### **\*4 Team Tournament Format:**

If four or more teams tie for a playoff spot, a single elimination playoff tournament determined by lot (draw) will determine playoff seeding.

Teams will play at a neutral site of one of the teams in 31-5A. Teams will flip a coin for times, dates, and sites to play. Officials will be agreed upon by teams involved.

### **Definition of best record between head to head**

The head to head record among the teams tied is the only games used for the head to head Tie breaker system. When two teams are tied, the one team that has the best record among the two teams tied will be seeded higher. When multiple teams are tied, the team that has the best record among the teams tied will be seeded higher.
